Re: Professional Collection Service

Dear Rich:

I just want to thank you and your collection staff for working our delinquent accounts harder and more thoroughly than any other agency we've tried. USCAC has provided Con-Tech Lighting Company with the best collection results and Customer Service to be found anywhere.

Every time we have called on you for assistance with the toughest accounts, your team of professionals has not disappointed. The Lighting Industry customer base provides us with many of its' own challenges, but you guys have the experience and flexibility to work through the issues to collect our delinquent accounts if at all possible.

Thanks again, and we look forward to continuing this long-standing relationship for many years to come.

Sincerely,
