RE: Thank you for the great work

Rich,

Thank you doing a great job for IDEV Technologies over the last five years. USCAC has a perfect record in recovering some of our most difficult customer balances without hurting our customer relationships. In my career I have dealt with several collection agencies and by far you and your company are the best. I would not hesitate to use you again.

Best Regards,

A handwritten signature in blue ink, appearing to read "Steve Sanders", is written over the typed name.
